**Set 6 & Set 10 – Samples**

**Sets 6-10 Early / Transitional**

Featuring a variety of text styles, the Porcupine books for early and transitional readers are interesting and fun to read. Accompanied by a teacher's resource book filled with lesson plans and ideas, Porcupine Sets 6-10 will enable children to gain independence and fluency. Built around the guided reading lesson, strategies are included for scaffolding, word study, creative response, independent writing, theme related read aloud connections and much more.

Set 11 & Set 15 – Samples

# Sets 11-15 Transitional

The lesson plans for the transitional reader build on the literacy strategies that were featured in Porcupine Sets 1-10. Through techniques that extend your students' knowledge of the alphabetic code and assist them in gaining meaning from what they read, the lesson plans will help you lead transitional readers to make inferences and discern deeper meanings.
